

## Enrichment Opportunities Bulletin

January 2016

### 1. LENS@Wake Forest 2016 Summer Program Announcement

LENS@Wake Forest is a three week summer program that equips current high school students with an academic foundation necessary to become global citizens and provides an interdisciplinary and experiential learning environment characteristic of the liberal arts education - without the pressure of grades or credit. Rising high school juniors and seniors spend three weeks living on campus at Wake Forest University discovering how to change the way they learn, the way they think, and the way they lead. Students can join us June 26 - July 15, 2016 and explore one of our [two exceptional academic opportunities](#): Global Sustainability or Cultural Crossroads.

To apply, students must provide a completed LENS admission application, an official transcript, and two brief essays. Applications are reviewed and admission decisions are made on a rolling basis until the program is full. Students may access the application and read more at [lens.wfu.edu](http://lens.wfu.edu).

We welcome applications from U.S. and international students who are rising juniors and seniors in high school.

### 2. UNC - Project Uplift

Project Uplift is a unique opportunity that enables high-achieving rising seniors to experience college life on the Carolina campus. Students spend two days attending academic classes, meetings with faculty and staff, interacting with Carolina students, and participating in cultural and social activities. Project Uplift is designed for students from diverse backgrounds, including those from historically underrepresented populations. Students should be academically motivated, and be enrolled in an academically rigorous course load, which may include AP courses. There is a \$35 registration fee; beyond that, Project Uplift is an all-expense paid program, including meals, room, and program materials. There is a process that LRHS must follow in order to nominate students. If you are interested in being considered for nomination, please email Mr. Greene at [egreene@wcpss.net](mailto:egreene@wcpss.net), by January 25. More information can be found at : <http://admissions.unc.edu/project-uplift-2/>

### 3. UNC – Heels for Success

Heels for Success is a one-day summer program to help academically-talented rising sophomores and juniors prepare for college. Over the course of the day, students will learn techniques for approaching the ACT, explore the Carolina campus and its wide-ranging academic opportunities, as well as learn how to manage the college application process. Heels for Success is designed for high achieving students from diverse backgrounds, including underrepresented students, first-generation college students, and those from rural areas or disadvantaged backgrounds. Students should be academically motivated, rank in the top 10% of their class, be enrolled in a curriculum that includes (or will include) AP courses, foreign language, and advanced mathematics. Heels for Success nominees should show active involvement in extracurricular activities and have demonstrated leadership.
