

## Schedule Access

- Schedules were posted on PowerSchool on July 25.
- Students can access their schedule through their PowerSchool Account.
- If students need to claim their PowerSchool Account or reset their account, instructions are posted on the school's website or can be picked up in the Student Services Office.
- Parents can access their student's schedule through their parent account.
- If parents need to create a PowerSchool Account, instructions are posted on the school's website or can be picked up in the Student Services Office.
- If students and are parents are having trouble logging into their account, they may stop by the school and pick up a copy of the student schedule. Parents should bring a picture I.D.

## Schedule Adjustments

Efforts have been made to ensure that you have the classes you requested; however, sometimes errors do occur or schedules have to be changed by the school due to changes in the master schedule.

- Students who have questions about their schedule may send an email to Mr. Greene, [egreene@wcpss.net](mailto:egreene@wcpss.net).
- If an email is sent to Mr. Greene, allow two school days for a response and please do not send duplicate emails as this slows down the response time.
- Schedule changes sent to Mr. Greene will end at 3 P.M. on August 22 in order to prepare for Freshmen Orientation on the 23<sup>rd</sup> and Open House on the 24<sup>th</sup>.
- Schedule changes will be considered again after the first day of school.
- Starting on the second day of school, students should email their assigned counselor with any schedule questions.
