

FCCLA stands for Family, Career, and Community Leaders of America and is just that! Our club is one that any student who is taking a family and consumer sciences course can join. We meet once a month and participate in many events. Anyone enrolled in a FACS class

Jamie Morrison placed second in the state with her Recycle and Re-design STAR Event Dress!

FCCLA's mission is to promote personal growth and leadership development through family and consumer sciences education. We focus on the multiple roles of family member, wage earner, and community leader and members develop skills for life through the following:

- Character development
- Creative and critical thinking
- Interpersonal communication
- Practical knowledge
- Vocational preparation

Answers to the quiz:

1. T— We will cover all these topics and MORE!
2. F— We will have homework occasionally. It will be graded.
3. F— We will have lots of projects and will use the books as a guide.
4. F— Students who think this fail the exam and class every semester. This class can be FUN but fun does not equal easy. Material will be covered thoroughly and it's **your responsibility** to study it.
5. T— Students should be prepared to provide sewing supplies. Approximate cost \$20.

How much do you know about Teen Living?

Take this true/ false quiz!

1. Teen Living is a lot of fun and I will learn a lot including personal and community living, families, relationships, job skills, leadership, child care, health, fitness, cooking, money management, fashion, sewing, and housing.
2. I will not have homework.
3. We do a lot of bookwork.
4. I already know the stuff we learn about in this class so I can pass with my common sense and still get an A
5. I will need to purchase supplies for this class other than paper and pencil and notebook.

Students are busily at work on pillows and other self selected projects.

Students work together in labs practicing fundamentals of cooking,!

Teen Living is...

This course examines life management skills in the areas of personal and family living; wellness, nutrition, and foods; financial management; living environments; appropriate child development practices; fashion and clothing; and job readiness.

Students celebrate the end of the semester with their class meal that was planned, prepared, and eaten by them!
